<sup>1</sup> The Debtors in these chapter 11 cases, along with the last four digits of each Debtor’s federal tax identification number, are: Genesis Global Holdco, LLC (8219); Genesis Global Capital, LLC (8564); and Genesis Asia Pacific Pte. compensation for services rendered in the amount of \$200,000, for the Compensation Period pursuant to Moelis' approved Engagement Letter (defined below), and (b) approval of reimbursement of actual and necessary expenses in the amount of \$-- incurred during the Compensation Period. In support of this Application, Moelis respectfully represents as follows:

**Background**

1. On January 19, 2023 (the "**Petition Date**"), the Debtors each commenced with this Court a voluntary case under chapter 11 of the Bankruptcy Code (collectively, the "**Chapter 11 Cases**"). The Chapter 11 Cases are being jointly administered for procedural purposes only pursuant to Bankruptcy Rule 1015(b). The Debtors continue to operate their businesses and manage their properties as debtors in possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code. On February 3, 2023, the Office of the United States Trustee for Region 2 (the "**U.S. Trustee**") appointed the official committee of unsecured creditors (the "**Committee**") pursuant to section 1102 of the Bankruptcy Code. [D.I. 53]. No trustee or examiner has been appointed in these Chapter 11 Cases.

2. Additional factual background and information regarding the Debtors, including their business operations, their corporate and capital structure, their restructuring activities, and the events leading to the commencement of these Chapter 11 Cases, is set forth in detail in the *Declaration of A. Derar Islam in Support of First Day Motions and Applications in Compliance with Local Rule 1007-2* [D.I. 17].

3. On March 21, 2023, the Court entered an order authorizing the Debtors to retain Moelis as their investment banker, effective as of the Petition Date [D.I. 151] (the "**Retention Order**") in accordance with the engagement letter attached thereto (the "**Engagement Letter**"), subject to the modifications stated in the Retention Order.

**COMPENSATION REQUESTED FOR  
SERVICES RENDERED DURING THE COMPENSATION PERIOD**

4. Moelis' requested compensation for the Compensation Period includes its Monthly Fee (as defined in the Engagement Letter) for February 2024 in the amount of \$200,000.

5. During the Compensation Period, Moelis' investment banking professionals rendered approximately 229 hours of services to the Debtors, based on the time records those professionals maintained pursuant to the Retention Order. As stated in the Debtors' application to retain Moelis [D.I. 151], (a) it is not the general practice of investment banking firms such as Moelis to keep detailed time records similar to those customarily kept by attorneys; and (b) Moelis does not ordinarily keep time records on a "project category" basis.

6. Moelis' work on behalf of the Debtors during the Compensation Period involved tasks that are briefly summarized below. The summary is not intended to be a detailed description of the work Moelis has performed during the Compensation Period, but rather is a guideline offered to the Court and other interested parties with respect to the services performed by Moelis.

- (a) **Meetings and Calls with Management and Creditors.** During the Compensation Period, Moelis participated in calls and meetings with management, the Debtors' other professionals and creditors and the creditors' advisors. These calls covered various topics, including but not limited to the chapter 11 process, liquidity, financial scenario analysis, recovery analysis, and restructuring strategy. Moelis prepared materials for management and creditors and provided strategic advice regarding these chapter 11 cases. Moelis participated in meetings with the Debtors' management and board of directors and presented materials regarding the Debtors' restructuring and strategic matters. Moelis also presented weekly updates to the Special Committee of the Board of Directors of Genesis Global Holdco, LLC.
- (b) **Plan of Reorganization Process.** Moelis worked with the Debtors and their advisors to prepare, analyze, and negotiate potential plan of reorganization alternatives and their corresponding impact on account holder recovery. Moelis facilitated diligence for and helped the Debtors prepare materials for various parties in interest in this process. Moelis helped management to diligence financial models upon which the Debtors could evaluate plan of reorganization alternatives. In support of these efforts, Moelis conducted numerous calls with Debtors' management and their other advisors to refine such analysis.

(c) **Administrative Matters.** Moelis conducted investment banking and capital market services, including, but not limited to, services related to these chapter 11 cases generally, retention matters, chapter 11 procedures, and communications, administrative functions, and other matters not falling into any of the service categories listed above.

7. Moelis' time records for the Compensation Period, maintained in accordance with the Retention Order, are annexed hereto as Exhibit A. Pursuant to the Retention Order, the requirements of the Bankruptcy Code, the Bankruptcy Rules, the U.S. Trustee Guidelines and Local Rules have been modified such that Moelis' restructuring professionals are required only to keep reasonably detailed time records in one-hour increments; Moelis' non-restructuring professionals and personnel in administrative departments (including internal legal) are not required to maintain time records; Moelis' professionals are not required to keep time records on a project category basis; and Moelis is not required to provide or conform to any schedules of hourly rates.

8. To the extent this Application does not comply in every respect with the requirements of the Bankruptcy Code, the Bankruptcy Rules, the U.S. Trustee Guidelines and Local Rules (as modified by the Retention Order), Moelis respectfully requests a waiver for any such technical non-compliance.

**REQUEST FOR REIMBURSEMENT OF EXPENSES  
INCURRED DURING THE COMPENSATION PERIOD**

9. Expenses incurred by Moelis for the Compensation Period totaled \$--. A detailed description of the expenses Moelis incurred during the Compensation Period is annexed hereto as Exhibit B. The expenses incurred by Moelis during the Compensation Period include attorneys' fees and expenses of its outside legal counsel relating to retention issues and services performed by Moelis, invoices supporting which are included in Exhibit B.

10. Moelis has made every reasonable effort to minimize its disbursements in these chapter 11 cases. All of the fees and expenses for which allowance and payment is requested by Moelis in this Application are reasonable and necessary, and Moelis' work was performed for and on behalf of the Debtors during the Compensation Period. In seeking reimbursement of an expenditure, Moelis is requesting reimbursement "at cost" and does not make a profit on such expenditure.

**WHEREFORE**, pursuant to the Interim Compensation Order, Moelis respectfully requests that an allowance be made to Moelis for 100% of its fees of \$200,000 and 100% of its expenses of \$-- incurred during the Compensation Period. Moelis also respectfully requests authorization for the Debtors to pay to Moelis \$160,000 in fees (representing 80% of its fees requested herein), plus \$-- (representing 100% of the expense reimbursement requested herein).
